

PRESS RELEASE

Catanzaro, Italy — May 2026

Delizie di Calabria will present a range of Italian pestos at PLMA Amsterdam 2026, expanding its offering of Mediterranean sauces for the international private label market.

The pesto range includes four recipes inspired by ingredients traditionally used in the Calabria region of Southern Italy. The assortment includes **Pesto Calabrese**, prepared with sun-dried tomatoes, ricotta cheese and Red Onion of Tropea.

The line also includes **Pesto with Basil and Calabrian Chili Pepper**, **Pesto with Basil and Calabrian Bergamot**, and **Pesto with Rocca Imperiale PGI Lemon, Ricotta and Olives**. Each recipe combines basil with ingredients typical of the region.

The products are intended for retail and private label markets and can be used in a variety of dishes including pasta, pizza, bruschetta and sauces.

Delizie di Calabria will present the pesto range to international retail and private label buyers during PLMA 2026.
